### General Guidelines

Meetings are discouraged during the first two and last two weeks of the semester in recognition of peak times for faculty and staff on campus, and in key support units at HBC. Also, generally we will try to avoid committee/council meetings in August, December, January & May in recognition of semester start/end priorities.

Try to keep Wednesdays "meeting free" from Council and Committee Meetings.

*Minutes* are to be posted on the web within five work days - suggested format is on forms inventory web pages.
