

## **CNBT 2417 GREEN BUILDING**

### **GREEN BUILDER RESEARCH PAPER**

1. You need to select one of the topics given at the beginning of class or select one of your own choosing.
2. Include a minimum of three sources, each with an accompanying footnote.
3. On the day you present your report to the class, turn in to me a typed copy of your report.
4. Your report will need to be at a minimum twenty minutes long. You can use any form of multimedia as part of your report.
5. I am interested in how you introduce your topic.
