CERTIFICATE

Agency Name Austin Community College District

This is to certify that the information contained in the agency Legislative Appropriations Request filed with the Legislative Budget Board (LBB) and the Governor's Office of Budget, Planning and Policy (GOBPP) is accurate to the best of my knowledge and that the electronic submission to the LBB via the Automated Budget and Evaluation System of Texas (ABEST) and the bound paper copies are identical.

Additionally, should it become likely at any time that unexpended balances will accrue for any account, the LBB and the GOBPP will be notified in writing in accordance with Article IX, Section 7.01 (2008-09 GAA).

ADMINISTRATOR'S STATEMENT
81st Regular Session, Agency Submission, Version 1
Automated Budget and Evaluation System of Texas (ABEST)

DATE: **8/13/2008**
TIME: **4:58:22PM**
PAGE: **1 of 1**

Agency code: **997**

Agency name: **Austin Community College**

This appropriation request conforms to the directive received for reporting FTE benefit enrollment proportional by funding source for HEGI appropriations. Tuition rates for students attending Austin Community College are partially subsidized by state appropriations. HEGI funding at this "proportional" level will result in a loss of \$9 million to the students of Austin Community College, whether in the form of higher tuition or reductions in services, when compared to current appropriations. A corresponding tuition increase of approximately \$7 (15%) per semester hour for ACC students over the biennium would be required to offset state reductions in order to maintain current service levels. Austin Community College's local property taxes are at the maximum rate approved by voters in the district.

The administration believes reductions in state funding will have an adverse effect on Austin Community College's efforts to achieve the state's "Closing The Gaps" goals for Central Texas, and will reduce service area educational attainment, particularly among under represented populations in higher education - those most critical to success in Closing the Gaps. Austin Community College will continue efforts to carry out the mission of Texas public community colleges in providing vocational, technical, academic, remedial, compensatory, and continuing education courses for certification or associate degrees, and the related supporting services necessary for student success.

In Fall 2010, which is FY2011, ACC will be opening its New Round Rock Campus. Initial build out will serve 5,000, which will generate an additional 1.5 million contact hours. Since these are future contact hours and therefore will not be included in our 2010-2011 formula appropriation, ACC is requesting New Campus Funding as an exceptional item in the LAR. The request is for \$5.25 million, which is 1.5 million contact hours times the average funding rate per CH of about \$3.50.

Furthermore, The Austin Community College District endorses the additional formula request that was made on July 31, 2008 by the Texas Association of Community Colleges.

SCHEDULE 11: SPECIAL ITEM INFORMATION
81ST REGULAR SESSION
Automated Budget and Evaluation System of Texas (ABEST)

Date: **8/13/2008**
Time: **4:57:35PM**
Page: **1 of 1**

Agency Code: **997** Agency: **Austin Community College**

Special Item: 1 Virtual College of Texas

(1) Year Special Item: 1998

(2) Mission of Special Item:

The Virtual College of Texas (VCT) is a consortium of accredited, public Texas community and technical colleges. It maximizes student access to higher education with its seamless model of delivering distance education. Enrolling at their local colleges, students are able to take distance learning courses provided by other colleges throughout Texas.

(3) (a) Major Accomplishments to Date:

Student success is reinforced with support services delivered by the home colleges enrolling the students. Through FY 2008, there have been over 47,000 enrollments in courses offered through VCT. Leveraging funds provided by the 80th Legislature, VCT negotiated statewide, collaborative licenses for web-based services that support improving student success and distance-learning course quality, at a total discount of approximately 78% on the \$1.66 million total list price.

(3) (b) Major Accomplishments Expected During the Next 2 Years:

Enrollments in VCT are expected to increase during the next biennium.

(4) Funding Source Prior to Receiving Special Item Funding:

N/A

(5) Non-general Revenue Sources of Funding:

2008 \$40,000 Texas Association of Community Colleges

2009 \$40,000 Texas Association of Community Colleges

2010 \$40,000 Texas Association of Community Colleges

2011 \$40,000 Texas Association of Community Colleges

(6) Consequences of Not Funding:

VCT provides distance education opportunities to all citizens of the state without regard to where the student lives. Without state funding, distance education access for Texas students will be limited. The most adverse effects of funding loss will be to students in under-served areas and students in rural areas of the state.
