Notes:

***NOTE:** There is some flexibility within certificate and degree plans. In some instances, other A&E CAD courses, or approved technical electives, may be substituted for required courses with Department Chair approval. See your A&E CAD faculty advisor for more information or to schedule an advising appointment (512) 223-4841. All of the courses listed in the certificate plan can be applied toward the thirteen technical electives required for the Associate of Applied Science degree in the A&E CAD department.

Software used in each course is listed in parentheses

**Replaces DFTG 1409 in previous A&E CAD degree plans. Students who have credit for DFTG 1409 should NOT enroll in DFTG 2419

***Replaces DFTG 2421 in previous A&E CAD degree plans. Students who have credit for DFTG 2421 should NOT enroll in DFTG 2430

+Capstone Course-This is a Distance Learning Class. Students seeking only a certificate must take this class. Students seeking an AAS degree can postpone taking this course until later semester. Call 223-4841 for information
