Course Grading Lab Pass Statement---Example

To successfully pass this course you must pass lab. If you do not receive a passing evaluation from your Lab School supervising teacher or from me, you may not pass the course. You may be asked to withdraw, receive an “F” or be asked to continue working on lab competencies for this course. All of this is explained in more detail on your handouts: “Procedure for Assisting Child Development Students to Improve Their Lab Practice” and the “Child Development Department Lab and Field Work Agreement”.
