Read These Important Directions for all Teacher or Director TRAC Applicants

If you applied to Teacher TRAC in March 2010 for Fall 2010 Semester, you do not have to reapply.

For All Teacher TRAC and Director TRAC Students:

1. Complete the appropriate Teacher TRAC or Director TRAC application. Complete the renewal application if you have previously received a Teacher TRAC or Director TRAC scholarship. Complete the new application if you have never received a Teacher TRAC or Director TRAC scholarship. You can download an application at http://www.austincc.edu/childdev.

2. Fax your completed application to (512) 223-5219. Incomplete applications will slow the application process and may keep you from being selected. Please be sure your application is legible and be sure to use dark ink so it is easier to read when faxed.

3. Apply on time. Missing a deadline will result in your application being placed on a waiting list and will jeopardize your chances of being selected. The deadline for Fall 2010 applications is June 1st.

4. Teacher TRAC will communicate with you through email. You must have an email address. Check your email regularly for communication from Teacher TRAC and be sure to check your trash or spam box for Teacher TRAC messages.

5. If you are a returning or current ACC student, please use your ACC gmail account. To find out how to sign up for a gmail account, go to http://www.austincc.edu/google/ and follow instructions. If you have not used your student online services, go to http://www.austincc.edu/, scroll down to the blue box called Online Services, and click on Student Login for your initial login information. If you have problems, call 223-HELP.

6. If you are not an ACC student and need an email account, set one up through gmail by going to mail.google.com/ and then click into create a new account.

Acceptance into Teacher or Director TRAC

During the week of June 7th to 11th, Teacher TRAC and Director TRAC applicants will be contacted by Teacher TRAC staff for advising, information on becoming an ACC student and the mandatory orientation.
