KEYBOARDING

(9 hours)

POFT 3014

COURSE SYLLABUS

Course Description: Introduction to the computer keyboard. Topics include the home keys, alphabetic keys, symbol keys, body position, and various keyboarding techniques. Emphasis is placed on learning touch-typing. Prerequisites: None.

Objectives: Every student will be able to:

- Discuss proper body, hand and finger positions
- Use home keys
- Use space bar and Enter/Return key
- Use booster keys
- Discuss spacing rules
- Use number keys
- Use symbol keys
- List the rules for typing symbols
- Use the Typing Tutor

Rationale: Use of computers is essential to all areas of business and personal activities. This course will enable students to start using computers and the keyboard efficiently.

Required Material: None

Type of Course: Short Course

Evaluation: Students will be evaluated on their competency in performing a variety of hands-on exercises throughout the course. In order to grant CEU credit for a course the students must be able to complete assessment exercises for each part of the course given by the instructor. The instructor will validate each participant's achievement of the course objectives by signing and awarding individual certificates of completion.
