

Welcome

The ACC Round Rock Campus, 4400 College Park Drive, Round Rock, TX 78665, is one of eight campuses in the ACC District service area. Located on 84 acres in south-central Williamson County, the campus provides comprehensive higher education programs and services to more than 5,000 students. Plans call for future construction to expand the campus to accommodate 11,500 students.

ACC Round Rock offers university transfer degrees and core curriculum courses, workforce/technical degrees and certificates, and comprehensive student support services, such as advising and counseling, financial aid, library facilities and media services, as well as computer centers and a learning lab with free tutoring.

The campus is home to a variety of workforce programs including Accounting, Allied Health Sciences, Associate Degree (RN) Nursing, Automotive Technology, Biotechnology, Building Construction Technology, Business Studies, Computer/IT, Electronics, Management, Marketing, Medical Laboratory Technology, Radiology, Sonography, Surgical Technology, and Welding Technology.

The Continuing Education Division also has classrooms and offices on campus to expand noncredit classes and Customized Training options for residents and local employers.

We look forward to seeing you!
