## Police & Community Partnership

### 24<sup>th</sup> Annual "National Night Out"

Neighborhoods throughout Austin were invited to join with thousands communities nationwide on Tuesday, August 07, 2007 to participate in the 24<sup>th</sup> Annual "National Night Out".

Six Austin Community College campuses participated August 7 in National Night Out, a free event designed to heighten crime and drug prevention awareness. NNO also generates support and participation in local anti-crime efforts, strengthens neighborhood spirit and police-community partnership, and sends a message to criminals that neighborhoods are organized and fighting back.

Pinnacle, Northridge, Rio Grande, South Austin, Riverside, and Eastview began their observance at 11 a.m. Most campuses had EMS members present, as well as representatives from the Austin Police Department and Austin Fire Department.

ACC's Campus Police participated in the NNO opening ceremony at the Pan American Center in East Austin from 5 to 7 p.m.

Now in its 24th year, the annual program involves more than 11,000 communities from across the United States, Canada, and military bases worldwide. APD officers, EMS and fire fighters will join City Council
