Faculty and Staff Luncheon

Eastview's Thanksgiving Luncheon

The Thanksgiving luncheon was a great success! Many thanks to **Jenease Friske, Gloria Owens, Kathy Judge, Donna Pitts, and Marilyn Skewis** for coordinating this annual event at Eastview. Also, this would not have been possible without participation from the faculty and staff. The delicious dishes and desserts were a great kickoff to the upcoming holidays.

Suspiciously eager to carve the turkey!

Campus Police

Services and Safety Tips

Austin Community College Police Department is a public service, community oriented police agency with licensed peace officers empowered by the laws of the State of Texas. The Department seeks active interaction while providing safety and security of involved persons.

Services offered by Campus Police:

- Escorts to your vehicle **anytime** you feel it is necessary.
- Jumpstarts when you have mechanical problems, causing a dead or low battery (*with signed damage waiver form*).
- Unlocking offices or classrooms when required and with proper ID.
- Assistance with flat tires (*as long as the officer is comfortable with undertaking the task and with a signed damage waiver form*).
- Assistance with keys locked inside your vehicle (*as long as the officer has been trained and with signed damage waiver form*).
- Speaking to your classes at the beginning of each semester (*with prior arrangement and if manpower allows*) about the services offered by campus police.

Personal Safety Tips:

- Always have your vehicle keys out and in your hand before you leave the building.
- Try to walk with at least one other person or contact campus police for an escort when going to your vehicle especially at night.
- When walking by yourself, be aware of your environment. Make eye contact with those around you so they are aware you see them.
- Don't leave valuables visible in your unattended vehicle. This invites the opportunistic thief to strike.
- Look inside your vehicle before you get in, better safe than sorry.
- If you think you are being followed, go to an area where there are people or go into the nearest business if possible. Above all, don't panic; remain calm.
- If you have a cell phone, call campus police at 223-7999 or 911 and give them your location and **stay on the phone** with them.

The ACC Police Department operates offices at each ACC campus. For information or to make a report, contact the Police Department center at 223-7999.
