opens for current &
former students

Nov. 20 – Jan. 10
Spring registration
opens for new students

Nov. 23 – 26
Thanksgiving Holiday
(College Closed)

ACC Eastview Campus
3401 Webberville Rd.
Austin, Texas 78702

Were you wondering what happened to the Eastviews newsletter? Well, there was a change in guard at the Campus Managers office for the evening operations. Rey Valdez is now the Testing Center Supervisor at the Eastview campus. Gustavo Rodriguez has replaced Rey as the new Evening Operations Coordinator. During the transition, the publication of the Eastviews newsletter was delayed. Now that everything is back to normal the newsletter will resume each month. **Congratulations to Rey and Gustavo!**

We are always looking for new and exciting ideas, events, or any item that is of interest to our campus community. Please deliver your ideas to the Campus Managers office or email us.

Gubernatorial Election

Our Next Texas Governor

It's time to elect a Governor for the great state of Texas. The 2006 Texas Gubernatorial election will be held on November 7, 2006, the newly elected Governor will serve a four year term starting January 20, 2007. Our candidates are current Gov. Rick Perry (Rep), Chris Bell (Dem), Carol Keeton Strayhorn (Ind), and Kinky Friedman (Ind). Vote and make a difference!

Election Day: Tuesday, November 7, 2006

Voter Registration Deadline: **Tuesday, October 10, 2006**

Early Voting Begins: **Monday, October 23, 2006**

Early Voting Ends: **Friday, November 3, 2006**

Eastview Thanksgiving Luncheon

Luncheon & Turkey Facts

Thanksgiving is just around the corner, and the year is quickly coming to an end. Wow, where did the time go? Thanksgiving day is a great opportunity to give thanks for everything we have, and appreciate the time we spend with family and friends. While a majority of us enjoy watching the Macy's Thanksgiving parade and the ever-popular Thanksgiving football games throughout the day, everyone still finds time to make memories that will last a lifetime. This day is one of the times when we have the excuse to over eat and relax while thinking about the sometimes dry and over cooked turkey.

With Thanksgiving only a few weeks away, it's time for Eastview's Faculty and Staff Luncheon.

Thanksgiving Potluck Luncheon

Multipurpose Room

Tuesday, November 14, 2006

11:00 am – 2:00pm

**For more information and/or to list what you're bringing, please contact:
Jenease Friske 223-5863; Gloria Owens 223-5103; Kathy Judge 223-**

5015; Donna Pitts 223-5853; or Marilyn Skewis 223-5864.

Turkey Facts

The turkey:

- Turkeys are able to adapt to a wide variety of habitats. However, most turkeys are found in hardwood forests with grassy areas.
- The best time to see a turkey is on a warm clear day or in a light rain.

Can you believe?

- Turkeys have heart attacks. When the Air Force was conducting test runs and breaking the sound barrier, fields of turkeys would drop dead.
- Turkeys can drown if they look up when it is raining.

Eat, sleep, gobble

- Turkeys spend the night in trees. They fly to their roosts around sunset.
- Turkeys fly to the ground at first light and feed until mid-morning. Feeding resumes in mid-afternoon.
- Gobbling starts before sunrise and can continue through most of the morning.

Eyes in the back of their heads?

- A wild turkey has excellent vision and hearing. Their field of vision is about 270 degrees. This is the main reason they continue to elude some hunters.

And they're fast, too!

- A spooked turkey can run at speeds up to 20 miles per hour. They can also burst into flight approaching speeds between 50-55 mph in a matter of seconds.

So close, yet so far

- Benjamin Franklin wanted the national bird to be a turkey

Know you have some facts about turkeys that can be shared with family and friends during this Thanksgiving feast!

TX Association of Chicanos in Higher Education (TACHE)

Plática con Dr. Kinslow

Plática con Dr. Kinslow or Chat with Dr. Kinslow, is a reception to recognize new Latino Faculty and Staff and to raise awareness about Closing the Gaps, Student Access, and Opportunity with regard to Hispanic students at Austin Community College. *(Light appetizers will be served)*

Introduction of the ACC Mobile Go Center

ACC Mobile Go Center

There will be a special event to introduce the new ACC Mobile Go Center and to celebrate the College Connection program expansion this year into 22 school districts and 46 high schools in the ACC service area. This event will be held on November 16th at 10:00 a.m. at the Eastview Campus, Building 8500, multipurpose room. Dr. Raymund Paredes, Texas Commissioner of Higher Education, will be the featured speaker. Major contributors that will be recognized for their support of the Mobile Go Center and College Connection program expansion include: Advanced Micro Devices, AT&T Foundation, College for All Texans Foundation, Greater Austin Chamber of Commerce, Magnum Trailers, Texas Guaranteed, Texas Pioneer Foundation, Texas State Technical College, and Wells Cargo. Superintendents and representatives from each of the school districts also will be recognized.

All ACC faculty and staff are encouraged to attend this celebratory event!

Friday, November 16, 10 a.m.
Eastview Campus, Building 8500, Multipurpose Room

WorkSource Career Center

Job Search Workshops

Need a Job Fast?

The WorkSource Career Center is located at ACC Eastview in building 1000.

**We are currently offering the following workshops on a weekly basis!
The workshops are free and provide outstanding professional quality job search
information and preparation.**

For more information please visit the WorkSource Career Center today!

Tuesday

JOB SEARCH PREPARATION & ACCOUNTABILITY

(1:00-2:30)-Preparation is the key! Learn how to define your skills and set the pace for a successful job search.

JOB SEARCH AND APPLICATIONS

(2:30-4:00)-“Hidden Job Market”? Learn how to find jobs that aren’t even posted before others find them. Also, learn how to complete an effective application, including State Apps!

Wednesday

ADVANCED RESUME WRITING & COVER LETTERS

(1:00-3:00)-Learn what it takes to capture an employer’s attention with a Targeted Resume as well as the art of writing a powerful cover letter!

Thursday

INTERVIEWING CLASS

(1:00-2:30)-How to handle each phase of the interview and make a positive, powerful, and lasting impression.

POST INTERVIEW STRATEGIES & SALARY NEGOTIATIONS

(2:30-3:30)-Learn what you can do after the interview to help keep yourself in consideration for the job. Also, learn to tactfully negotiate salary when the offer is too low!

**Attend one of our Employment Workshops!
Experts agree that taking Job Search Workshops actually
increase the chances of finding jobs!**

WorkSource Career Center – East: 3401 Webberville Rd., Bldg. 1000, Hours: Mon-Thurs. (7:30-6:30), Fri. (8-5)

WorkSource Career Centers are Equal Opportunity Employers. Auxiliary Aids & Services are available upon request to individuals with disabilities. Dial 7-1-1 for Relay Texas

Vince Young Autographed Football

Classified Assoc. Emergency Fund

NRG: Tobin Wiegand (3-4882)

PIN: Jeannie Beach (3-8124); Melissa Brown (3-8102)

RGC: Margie Shelnett (3-3175); Sonia Stewart (3-3002)

RVS: Sue Bloodsworth (3-6230); Derek Thomas (3-6245)

SAC: Mary Heard (3-9104)

SVC: Lisa Buck (3-1018); Cindy Wiseman (3-1085)

DRAWING TO BE HELD NOVEMBER 21, 2006

NEED NOT BE PRESENT TO WIN

Emergency Evacuation Procedures

When the Fire Alarm Sounds

During certain emergency conditions, it may be necessary to evacuate the building. These are some examples of such situations: smoke/fire, gas leak, bomb threat or a chemical spill.

Upon hearing a continuous audible alarm or verbal warning, "EVACUATE THE BUILDING IMMEDIATELY", you should evacuate the building through the nearest exit and precede to one of the two rally points on the campus. At every major exit, there is a map that displays the rally point assigned to your particular area on campus. You must report to the assigned rally point to be accounted for, and await further instructions from the **Administrator-in-charge**.

Occupant Responsibilities

1. You are responsible for your own safety! **Stay calm** – avoid panic and confusion.
2. Know the locations and operation of fire extinguishers. Do not use them unless you are trained.
3. Know how to report an emergency (222) on an ACC phone, non-ACC phone 223-7999.
4. When the fire alarm sounds, make sure other personnel in your immediate area are aware of the alarm.
5. Close but **DO NOT LOCK** doors as you leave. Take all valuables with you if in the same room. Turn off unnecessary equipment, if possible.
6. Know the locations of primary and alternate exits. During an emergency, walk to the nearest exit and evacuate the building. **NOTE: Do not use the elevators** during a fire-related emergency.
7. Go to your assigned **RALLY POINT** outside the building and wait there. Do not leave the area unless you are told to do so. Rally points for each campus are identified on Emergency Exit Posters; they are at least 300 feet from the building and are identified by a sign stating "EMERGENCY EVACUATION RALLY POINT".
8. **Emergency Evacuation Coordinators** (persons in orange vests) are available inside the building to respond to unforeseen problems, or for additional assistance.
9. The **Rescue Assistance Team** will assist impaired students and personnel to the lowest floor possible. A team member must be with the waiting group at all times. Specialized assistance and rescue from **Areas of Rescue Assistance** will be performed by specially trained Fire Department personnel.
10. **Do not re-enter** the building until you have been notified by the **Administrator-in-charge**. Fire personnel often silence the alarm in order to communicate with each other. Silencing the alarm is **NOT** a signal for occupants to re-enter.

The Administrator-in-charge will give a verbal "ALL CLEAR" signal when it's safe to re-enter the building.

Eastview Campus Emergency Numbers

Campus Police: 223-5120

Police Dispatch: 222 or 223-7999

Campus Maintenance Office: 223-5990

http://www.austincc.edu/ehs/emerg_procedures.html

Evacuation Goal: The ultimate goal of any building evacuation is to evacuate the building **SAFELY** and quickly.
