Grade Point Calculation: 69 grade points ÷ 22 Semester credit Hours = **3.136**

Ranking Formula:

GPA x (# of completed courses) + 1 pt. (Program Info. Session) = Admissions Rank

3.136 x 7 + 1 = 22.952 points (This score is compared to other applicants.)

Note: If this applicant does not get in during current admission cycle, then 5 points would be added to the next review as follows:

3.136 x 7 + 1 + 5 = 27.952 points
