

Texas Tech University Health Science Center School of Nursing and Austin Community College Associate Degree Nursing Program have joined forces to address the workforce need for nurses.

I. RN to BSN program

- Students will be provided with a “seamless” access to assist them in transferring from ACC to Texas Tech. AD Nursing graduates who meet Texas Tech admission requirements will be admitted to the BSN program
- Students can stay in Austin for their education.
- If interested, contact: Tiffany Hager at [tiffany.hager@ttuhsc.edu](mailto:tiffany.hager@ttuhsc.edu) or go to the Texas Tech web site at <http://www.ttuhsc.edu/son/undergrad/rnToBsn.aspx>

I. Second Degree Web-based BSN Program

- Bachelor or Master degreed students meet Texas Tech admission requirement in order to apply to this accelerated twelve month BSN Program.
- Students can stay in Austin for their education.
- If interested, contact Marylin Taylor at [marylin.jensen@ttuhsc.edu](mailto:marylin.jensen@ttuhsc.edu) or go to the Texas Tech web site above or <http://www.ttuhsc.edu/son/undergrad/secWbsn.aspx>
