

Sonography Application Checklist

#1-6 MAY be done concurrently; #7 & 8 MUST be concurrent:

- ❑ 1) Gain admission to ACC; follow the instructions/process found at <http://www.austincc.edu>
- ❑ 2) Review the entire Sonography website and complete a Sonography Programs Information Session (on-line or on-campus): <http://www.austincc.edu/health/sono>
- ❑ 3) Have a minimum 2.7 GPA in prerequisite courses of to apply (Competitive GPA is approximately 3.5)
Human Anatomy and College Algebra courses must have been completed within 7 years of application date.
Successfully completed co-requisite courses will earn a point on the Sonography Applicant Ranking Worksheet (see GPA criterion).
- ❑ 4) Volunteer for DMS and DCS labs: minimum of one hour/session for each lab.
Points will be assigned on the Sonography application; Call 512.223.5945 to schedule an appointment.
- ❑ 5) Complete the Certified Nurse Aid course (minimum required to apply); offered through the ACC Health Professions Institute, call 512.223.7542 for more information.
Points will be awarded on the Sonography Applicant Ranking Worksheet for completion of a formal direct patient care educational program that is more advanced than the CNA.

Recommend additional patient care experience: points will be awarded on the Sonography application for hours of volunteer or paid patient care experience in addition to the hours garnered during the CNA course.
- ❑ 6) Complete of the HOBET exam
Contact ACC's Business Assessment Center at Highland Business Center at 512.223.7769 to schedule your test. The HOBET may be taken up to three times; submit the highest Composite Final Score Report.
- ❑ 7) Submit all the required documents at one time, by registered mail or in person, to the Health Sciences Admissions and Information Office, EVC, Bldg. 8000, Room 8356, Austin, TX 78702. Your name **MUST** be on each and every document.
 1. Immunization Record form at: <http://www.austincc.edu/health>; you **MUST** use this form; have your health care provider complete all requirements on the form, including appropriate dates and signatures.
 2. Patient Care Experience Form at: <http://www.austincc.edu/health/sono/process.php>
 3. Copy of Sonography Information Session Assessment Verification form
 4. Documentation of patient care education (transcript showing completion award, copy of a diploma or credential card)
 5. Copy of HOBET Individual Score Report
 6. Unofficial copies of all college transcripts (ACC and/or transfer)
Transfer courses/transcripts **MUST** be reviewed by the Sonography Department Chair prior to applying for admission to a Sonography Program; contact the Department Chair by email or phone to schedule an appointment.
- ❑ 8) Complete the Sonography Application at <http://www.austincc.edu/health/sono/packet.php>: available between December 1 and February 1. The Application is sent to the Sonography Programs when you click "Select" at the end of the application.
