Selection into the Program:

Once the application packet is complete, students will be given the next available space in a class. Placement is based on the application date that the application is received in the Health Sciences Admissions Office.

- The department is limited by available clinical spaces to approximately 16 students per semester.
- The Surgical Technology Program will keep your application on file for 2 years. If the applicant has not accepted during that time the student’s application will be removed and the student will need to reapply to the program.

Please note that to be compliant with clinical facility requirements a **criminal background check** will be required prior to admission to the Surgical Technology Program. As specific timelines must be met, **do not do this until instructed by the program.**
