Please note the following addendum to "Accident Insurance" (The area in red has been added for clarification.

Accident Insurance--Student accident insurance coverage is required for students participating in certain college sponsored laboratory/clinical activities. The maximum medical benefit is \$10,000 per student with a \$25.00 deductible. The student is responsible for the \$25.00 deductible. For covered classes, the student pays an insurance fee at the time of registration. **The Student Accident Insurance pays benefits for specific losses from accident only. Benefits are not paid for loss due to sickness.**

The student accident policy provides insurance coverage only while participating in specified laboratory/clinical classes. It does not extend to accidents involving automobiles and incidents outside the laboratory/clinical/classroom. For the most updated information, see www.austincc.edu/ehs/Insurance.
