

Annual Enrollment Campus Visits PY 2011

We are here to help you assist you in making your benefit changes during Annual Enrollment.

Representatives from the Human Resources Benefits Section will be at the campuses to help you with your Annual Enrollment Benefit changes.

Employees who do not want to make any changes in their coverage do not need to do anything during annual enrollment. **An Annual Enrollment change is needed only if you are making a change or enrolling in Tex Flex.**

There will be no representatives from the insurance companies at any of the campus visits, so if you need to talk to one, plan on attending the Annual Enrollment Presentation/Fair on Monday, July 26, 2010.
