### Notice to Employees

Tax Stimulus Income Tax Withholding Adjustment

ACC implemented the New Income Tax withholding tables as of March 13, 2009. As a result of this change your income tax withholding may have been reduced.

The new tables, prescribed by the Department of the Treasury, reflect the Making Work Pay credit and other changes resulting from the American Recovery and Reinvestment Act of 2009.

If you do not want to have your withholding reduced (because, for example, you have more than one job or you are married and your combined income places you in a higher tax bracket), you may want to file a new Form W-4 with HR/Payroll. You may claim fewer withholding allowances on line 5 or request additional amounts to be withheld on line 6. For additional help, get IRS **Publication 919**, How Do I Adjust My Tax Withholding? Or visit the IRS website at [www.irs.gov](http://www.irs.gov) and use the "Withholding Calculator."
