YOUR WRITTEN COMMENTS ARE IMPORTANT!

Your professor will not view the results of this evaluation until final grades are turned in.

Many professors find that written comments help them better understand the responses given to the multiple-choice items and that the written comments frequently contain helpful and constructive recommendations.

Using the space below, please take the time and effort to:

A. Explain or elaborate on any (or all) of the responses you gave.
B. Comment on any aspect of the course and/or make recommendations.
