

State Employee Charitable Campaign
TOGETHER WE CARE

2011 State Employee Charitable Campaign (SECC) October 3rd through 31st

During the 2010 SECC, Austin Community College employees generously contributed nearly \$45,000 to local and statewide charitable organizations through SECC. We are proud of ACC's commitment and concern for those in our community who need an extra helping hand to face financial, personal, and physical challenges. Our goal this year is to exceed last year's total by raising more than \$45,000.

Every contribution, no matter the amount, aids in the worthy cause of helping our neighbors and our community. You would be surprised by what donating only a few dollars a month can do:

- \$2 per month for one year will provide one day of food and shelter for a homeless person.
- \$5 per month for one year will provide teaching materials for 30 at-risk students for one school year.
- \$10 per month for one year will help a family in crisis with their monthly utility or grocery bills.
- \$20 per month for one year will provide a full year of groceries for a homebound AIDS patient.

This year there is a special focus on helping victims of the Central Texas fires by donating to organizations that are directly involved in relief efforts: American Red Cross of Central Texas (020900), Austin Pets Alive (228178), Capital Area Food Bank of Texas (228018), Catholic Charities of Central Texas (224046), Humane Society (471009), Manos De Cristo (222071) and Salvation Army (222039). Or support other great causes like ACC Foundation (228065), Caritas of Austin (228162), and Mercy Corps (040365).

To make a donation or learn more, please contact your Campus Coordinator or Kim McCrary, Campaign Coordinator, at 223-7577 or visit www.austincc.edu/hr/secc/index. Keep an eye open for fundraising activities and events on your campus, and visit your Campus Manager's office to donate your spare change and help your campus win the "Change for Charity" Competition.
