

## **Web Committee Meeting Minutes**

**April 10, 2008**

Committee Members in Attendance: Brette Lea, Patty Scogin, Edward Terry, Cindy Yates, Margaret Peloquin, Jennifer Gray, Abraham Nasser, Dean Jones, Donna Pauler, Richard Cutler and Derek Thomas

### **Continuing Education**

The Public Information & College Marketing Department had a meeting with representatives of the Continuing Education Department to better streamline the CE site. A link placed directly on the college's home page was discussed. An alternative to a direct link would be to have a jump page from "Community & Business". The "Community & Business" page will be resorted and arranged. Continuing Education will be displayed prominently.

### **College-wide Calendar**

The default style of the college-wide calendar will be changed to include a month grid view on the ACC homepage. The showing of the list of events will be examined so that items can be prioritized.

### **"I AM ACC" Image Campaign**

An "I AM ACC" banner has been placed on the top right corner of the ACC home page. This is a pathway for students, faculty, staff and community to submit their ACC stories. These stories are collected and shared as part of the college's new image campaign.

The next Web Committee meeting is to be held May 8 at 9:00 a.m. in room 219 at HBC.
