If for some reason you can’t login into www.coursecompass.com or you experience slowness while doing your homework and/or quizzes, you can use the **MyMathLab Alternate Login**

Go to www.mathxl.com. On the right hand side of the page, click the link for MyMathLab Login (Do NOT login under the MathXL Established User)

1. Click Here

In the Center of the next page, you’ll see:

2. Enter your MyMathLab login name and password. Then click the Log In button below.

3. Click

   ![Click Here](image)

   **Established User?**
   If you have already registered, log in here:

   - **Log In Name**
   - **Password**
