• Learn about the CASIO fx-9750GII—the low cost graphing alternative—half the price of those other guys
• Learn how intuitive it is to operate a Casio graphing calculator so you and your staff can be “bilingual” with the latest calculator technology
• Review the most oft-used modules including Graphing, Table & Statistics as well as Casio-specific teaching apps like Conics and Dynamic Graphing
• Unlock the power of the fx-Manager PLUS software
• Receive a CASIO 9750GII if you are one of the first 40 to arrive
• Bring your colleagues... if we have 40+ attendees, we'll draw for a class set of 9750Giis
• Enjoy a light meal and beverage as part of the presentation
