### **Biographical Sketch**

Jeff Cohen is the owner and managing consultant of Cohen & Associates, a firm providing consulting, training, and direct service in nonprofit fundraising, grants, campaigns, board development, strategic planning, mission and vision development, and marketing.

The company's mission is to ensure that nonprofit and community-based organizations – especially smaller-scaled, new, and/or developing ones – can access the knowledge, tools, and resources for mission-inspired, egalitarian-managed revenue generation.

As a management team member, consultant, and professional in the nonprofit sector, Jeff has worked with non-profit organizations for eighteen years, raising millions of dollars from foundations, corporations, government funders, and individual donors – across the spectrum of human needs.

Jeff has a Master of Social Work Degree from the University of Georgia (1990) and a Bachelor of Arts Degree from Tulane University (1985).

Jeff is an adjunct professor at the University of Texas Graduate School of Social Work.

Jeff is also a Past President of the Greater Austin Chapter of the Association of Fundraising Professionals (AFP).
