Based on sources of data, information and experience, please describe your unit's present and future needs and challenges.

- 2.1 What sources of quantitative and/ or qualitative data are you using to identify challenges and needs?
 - > (Surveys, Point of Services (POS) unit feedback, ,Council for the Advancement of Standards in Higher Education (CAS) standards, Association of College Administration Professionals (ACAP) best practices, research from journals, articles, external databases, research projects, presentations, conferences, white papers, etc.)

The Executive Vice President, College Operations worked with all Campus Managers and discussed some priorities and determined this first round of the ASP and the First Unit Level Goal, Outcomes, Measures. All Campus managers units will share the same Unit Level information. Each Campus will then develop campus specific objectives (improvements) which will support the Unit Level data. This will allow the Division to start analyzing comparable data and support the Division/ Unit Level Goals, Outcomes, Measures jointly.
