

Seven Wonders Questions from the IPC Retreat August 30, 2007

WHICH OF THESE QUESTIONS IS IMPORTANT??? HOW WILL THESE QUESTIONS BE USED???

1. During the next 5 years, which of these questions identify high priority areas that need to be addressed?
2. Questions will be used to identify the problems that need to be addressed in the next 5 years.
3. Based on the problems identified, goals and strategies will be developed to address them.

VOTE (Select 10)	Seven Wonders Questions	Pres/Bd Priority
	How can we ensure distance learning success rate are at the same or greater level as those of students in the classroom?	1
	I wonder how we can integrate the value of career development into entire ACC curriculum?	1
	I wonder how we can be more effective in the academic advising of students to support their success?	1
	I wonder how we can better manage student expectation of college level work time commitments. How can we set students up for success by communicating to them what to expect when they get to college?	1
	I wonder how we can create vertical alignments to ensure college readiness for AE students?	1
	I wonder how we can help students realize that they need to stick to their degree plans?	1
	How can we articulate with 4-year universities statewide, particularly our feeder institutions?	1
	How can ACC better coordinate with K-12 schools to help them better prepare their students for college?	1
	I wonder what programs and services we provide for student are quality programs and services and how we can replicate them throughout the college?	2
	How do we better support faculty as they assess student learning outcomes at both the course level and the program level?	3
	What nontraditional teaching methods can teachers explore in the future to improve student success?	3
	I wonder how we know what our students are learning and where our programs are failing them?	3
	How do we encourage more study groups?	3
	How do we provide the appropriate training for faculty and support staff in educational education technology areas to support students?	3
	How do we improve career advancement opportunities for staff?	3
	What are the characteristics of a quality teaching and learning environment?	3
	How do we expand access to childcare?	4
	I wonder how we can increase the access and retention of African American males at ACC?	4
	How do we focus on expanding access and increasing enrollment and still maintaining high academic standards?	4
	I wonder how we can meet the learning needs of our diverse students, particularly our underrepresented students?	4

VOTE (Select 10)	Seven Wonders Questions	Pres/Bd Priority
	How do we finance the type of support services necessary for the success of underrepresented students?	4
	How can we offer distance learning opportunities that are outside the traditional semester begin and end dates?	4
	How do we increase our outreach to the senior citizens in the community?	5
	How do we create or engender institutional support for increasing diversity at all levels of the institution? How do we accomplish that in a non-threatening manner?	5
	How do we collaborate with P-16 to align our curriculum toward the success of all students?	5
	How do we make space available for major renovations and improvements while we're increasing enrollments?	6
	How do we establish partnerships with those in the community who can provide space for classrooms?	6
	How do we provide state of the art facilities for our arts programs, especially on our existing campuses?	6
	How do we work smarter to manage our workload and accomplish these initiatives?	7
	How do we communicate better internally to more efficiently collaborate and work together to accomplish our goals?	7
	Can technology answer some of these questions, especially when we're trying to communicate with students?	7

Institutional Planning Council
FY 2007 - 2008
Functions

Functions:

1. Facilitate communication and collaboration among institutional supervisors, employee organizations, and the Student Government Association.
2. Review and refine the institutional master planning process.
3. Ensure that the Master Plan is reviewed annually, and that there is a process for considering suggested revisions or additions to the Master Plan as appropriate.
4. Articulate the priorities to be reflected in the annual operating budget, and ensure that the resource allocation requests are aligned with Master Plan initiatives.
5. Make recommendations, as appropriate, regarding implementation of the Master Plan.
6. Review core institutional effectiveness measures and make appropriate recommendations to promote institutional quality.
