Notes to Budget Planning Data – FY 2012

Methodology

- Each fiscal year includes the academic terms for Fall, Spring, and Summer. Fiscal year (FY) 2010, for example, includes the Fall 2009, Spring 2010, and Summer 2010 terms.
- Only active sections for each fiscal year were included in this analysis.
- The number of sections for FY 2009 was determined by summing the number of “primary sections” in the ACC computer system. For instance, PSYC-2319 (primary section of Social Psychology) and SOCI-2326 (non-primary section of Social Psychology) was counted as one section in this report. Therefore, section counts were labeled as “Combined Sections.”
- When counting faculty, enrollments, credit hours, and contact hours, data were based on the corresponding values from the uncombined sections. For example, if 20 students were enrolled in PSYC-2319 and 15 students were enrolled in SOCI-2326, the overall enrollment was reported as 35 students.
- Enrollment counts are duplicated. Thus, if a student was registered for a Government section and a Spanish section in Spring 2010, the student was counted once for each section. Furthermore, if another student took two different Nursing courses in the same term, the student was counted once for each section.

Faculty Status Definition

- The determination of faculty status was made on a fiscal year basis. If a member of the faculty had a full-time assignment any time during the fiscal year, the faculty member was considered “Full-time” for the entire year. (Full-time faculty also included Adult Education Instructors.)
- If a member of the faculty had a part-time assignment any time during the fiscal year, and had no full-time assignment, the faculty member was considered “Adjunct” for the entire year.
- Only if the faculty member had no full- or part-time assignment during the fiscal year was the member assigned to the “Other” category. Sections for which no identifiable faculty could be established were included in the “Other” category.

- The table below details the faculty status designation used for the FY 2012 Budget Planning Data.

Full-time Faculty	Full-Time
Adjunct Faculty	Adjunct

ACC Campus Location Definition

Campuses: Seven campuses include Cypress Creek (CYP), Eastview (EVC), Northridge (NRG), Pinnacle (PIN), Rio Grande (RGC), Riverside (RVS), and South Austin Campus (SAC).

Centers (CEN): Locations other than campuses that are staffed, have regular posted hours, and offer credit courses on a regular basis (every term). Extension centers include Bastrop, Fredericksburg, Georgetown, Hays, Leander, Lockhart, Round Rock Higher Education Center, San Marcos Center, and San Marcos Day Classes.

Distance Learning Instruction (DIL): Courses delivered to individuals and groups by synchronous and asynchronous methods. This definition overrides all other campus definitions. In other words, if it is a distance learning course taught at a main campus (such as an interactive video class) or at an extension center, it is counted as distance learning course. Delivery methods in distance learning courses include instructional television, (ITV), web-based courses (PCM), print-based courses (PRN), directed studies (DIR), and Hybrid courses (HYD).

Site-based Instruction (SIT): Includes various credit and non-credit classes and training to businesses, government entities, high schools, correctional institutions, and community groups.
