Useful Terms

Contact Hour - represent the number of hours of instruction provided to students in a given course; includes both lecture and/or laboratory time.

Enrollment - the number of students enrolled in a course. Duplicated enrollment occurs when a student is counted more than one time because they are enrolled in more than one course.

Headcount - the number of students enrolled in one or more courses. This number may be duplicated or unduplicated.

Semester Credit Hours (SCH) – defined as one clock hour of class per week.

Credit Programs Summary

- Austin Community College's (ACC) Fall 2004 student headcount in credit programs increased 142 students from the previous fall term for a total of 29,004 students.
- Academic/Transfer contact hours accounted for 79% of total contact hours in Fall 2004, a percentage virtually unchanged since Fall 2000.
- Among the six main ACC campuses, the only campus that saw increases in headcounts, course enrollments and contact hours in Fall 2004 was Eastview.
- Examination of Fall 2004 Telecommunicated delivery methods revealed a 17% increase in course enrollments and a 20% increase in contact hours in courses delivered via personal computers with modems compared to Fall 2003.
- Academic year 2004 annual contact hours for the Health Science dean area increased 9% from the previous academic year, the highest increase among all dean areas.

Programs of Study Fall 2004

The educational programs of Austin Community College include workforce programs and academic/programs. The workforce programs are designed to meet the increasing demand for skilled technicians and paraprofessionals for employment in industry and business. ACC awards both associate of applied science (AAS) degrees and certificates in workforce programs. Associate of arts (AA) and associate of science (AS) degrees are awarded as transfer degrees and correspond to the first two years of a baccalaureate program at four-year institutions.
