Useful Terms

12th Class Day Data - total enrollments as of the 12th day of class.

Contact Hour - an instructional unit of time in which a student has contact with an instructor; includes both lecture and laboratory time.

Enrollment - the number of students enrolled in a course. Duplicated enrollment occurs when a student is counted more than one time because they are enrolled in more than one course.

Headcount - the number of students enrolled in one or more courses. This number may be duplicated or unduplicated.

Semester Credit Hours (SCH) – one clock hour of class per week. For example, PSYC-2301 meets for three hours a week and is worth three semester credit hours.

¹ Students who attend multiple locations are counted once at each location.

² Students who enroll in more than one course are counted once for each course.

³ An instructional unit of time in which a student has contact with an instructor; includes both lecture and laboratory time.

⁴ Courses delivered to individuals and groups by synchronous or asynchronous methods. Delivery methods include instructional television (ITV) using recorded video programs shown on cable TV and on cassette, web-based courses (PCM), print-based courses (PRN) using a textbook, directed studies (DIR), interactive video classes (IVC) with groups of students at several sites, and live televised classes (LTV) to individual students at home or work via the Internet or cable television.

⁵ Locations other than campuses that are staffed, have regular posted hours, and offer credit courses on a regular basis (every semester).

⁶ Various credit and non-credit classes and training offered for businesses, government entities, high schools, correctional institutions, and community groups.
