1.7 Tell us about your unit's resources.

- Think about all the staff, including administrative support staff, instructional associates, technicians, etc., as well as non-staffing resources.
- If you have multiple budgets, please combine them for the table below.

Classification	# staff	Budgeted Amount (total)
Administrators		
Classified Employees	6.00	\$ 294,047.00
Professional Technical Employees	3.00	\$ 180,160.00
Adjunct Faculty	0.00	
Full Time Faculty	0.00	
Hourly Employees	21.00	\$ 157,903.00
All other salary lines	NA	\$ 2,916.92
All Fringe Benefits	N/A	\$ 15,825.00
All other operating expenses	N/A	\$ 169,606.00
Totals	30.00	\$820,457.92

1.8 Is the current staffing adequate for your unit's needs?

1.8.1 If no, please describe additional staffing needs.

1.9 Are the current facilities adequate for your unit's needs?

YES NO

1.9.1 If no, please describe facility enhancements needed.

Administrative Support Plan Template(ASPT)

1.10 Are the unit's technology and equipment resources adequate?

YES

NO

1.10.1 If no, please describe technology and equipment needed for the unit.

1.11 What other information, if any, do you believe is important for your unit to consider in planning?

No

2 Analysis

Based on sources of data, information and experience, please describe your unit's present and future needs and challenges.

2.1 What sources of quantitative and/ or qualitative data are you using to identify challenges and needs?

➤ *(Surveys, Point of Services (POS) unit feedback, ,Council for the Advancement of Standards in Higher Education (CAS) standards, Association of College Administration Professionals (ACAP) best practices, research from journals, articles, external databases, research projects, presentations, conferences, white papers, etc.)*

Due to changes in the collegewide planning and the required assesments, we have changed the focus to be at the divisional level. For the new focus we will use Administrative Rules, ACC Policies & Procedures, and internal databases.

2.2 What are the strengths and weaknesses for the unit?

➤ *(What activities does the unit do well? What services, products, or decisions have been successful recently? What internal resources or situations are limiting the unit's ability to achieve its goals?)*

Center staff have learned to use their limited resources to the best of their ability to serve the students. The new Degree Map program for advisors has been very successful and well received by our staff. Limited or no access to ACCnet at our centers is the largest issue that hinders our ability to achieve our goals.

2.3 What are the opportunities and threats for the unit?

➤ *(What events or conditions within or outside the college might the unit be well-positioned to address? What events or conditions outside the unit or college might pose difficulties and limit the unit's ability to achieve its goals? What opportunities for growth and/ or innovation exist for the unit.*

Lack of access to the ACCnet hinders our center staff from accessing many webpages on our network.

Administrative Support Plan Template(ASPT)

2.4 Describe any factors that may impact the achievement of your unit's goals, either negatively or positively.

Because of some of the remote locations of our centers, it is difficult to set up the proper connectivity needed to access ACCnet. Online communication is not only necessary, but mandatory for our centers success in the outlying areas. In order to achieve our goal successfully, all centers should be able to access the website that will be update continuously.

2.5 Are there things the unit should be doing that are not currently being done?

YES NO

2.5.1 If yes, please describe.

3.4 Describe how the evaluation measures are appropriate and relevant for the proposed objectives (improvements).

The initial survey gave us an approximate estimate of the knowledge base for our center staff.

3.5 Describe the process used to evaluate the results of your improvements (objectives), and indicate who participated in the review.

All current staff from each center participated in the initial survey. Processes and procedures are currently being shared through email. After the implementation of an online procedures manual has been completed, another survey will be conducted to gage the degree of improvement in the knowledge base of the staff.

4 Evaluation and Reporting

4.2 Briefly summarize the degree to which the targets were met.

➤ *Note the key strategies or activities designed to implement the objectives (improvements)*

Due to changes in the collegewide planning and the required assesments, we have changed the focus to be at the divisional level. The original SSR for Centers focused on procedural awareness and website familiarity of the staff. This plan may be integrated into the objectives listed on the divisional level.

4.3 What impact did your implemented improvements (objectives) have on the unit's goals and outcomes?

Impact cannot be assessed until implementation has been completed.

4.4 Briefly describe how the results of the improvements contributed to advancing the mission and goals of the college.

Results cannot be described until the implementation of the designated processes have been completed and evaluated.
