Unit Review Leader: Roland C. Hayes  
Unit Name: African American Cultural Center

1.

What improvements have been planned/implemented:

Provide workshops of interest and concern to African American Students at the Eastview Campus

2.

How did you decide that these improvements would benefit your unit or what weakness is the unit trying to improve:

Students have requested numerous workshops on topics of keen interest. They have expressed the need to know about personal financial matters, student codes of conduct, strategies for academic success, and personal health issues.

3.

Measures: what measures are going to be used to determine if the improvements were successful.

At least 6 one-hour workshops will be provided through the academic year at the AA Cultural Center on various topics.

3a. Baseline data: the data used to determine improvements were needed

Three workshops were offered last year, students have requested that more be offered and have suggested additional topics.

3b. Target goals: the data that shows your improvements have achieved your goals

Offer at least 6 workshops with an average of 12 students minimum per workshop.

3c. Current data: where you are currently in reaching your target

Three workshops were offered last year, attendance varied from 4 to 8 students.

Narrative:

The African American Cultural Center is a place where students are welcomed to congregate. The opportunity to engage in and have access to workshops on timely topics will be helpful to students in terms of their perceptions of acceptance by the institution.
