In this month's edition of Rio News we are dedicating it to William Harold "Billy" Roberts. Billy Roberts was a Spanish professor at Austin Community College. One of his greatest joys was teaching and he will be remembered as well-respected and popular with the students. During his 27 years at ACC, he made many friends who will miss his presence. A Memorial Scholarship has been established to recognize his outstanding work and passion for education. The scholarship will cover tuition, fees, and books for one course up to \$300. If you would like to donate please make your check payable to the ACC Foundation/Billy Roberts Scholarship. On the southwest lawn of the Rio Grande Campus an Oak Tree was planted in his memory.

In Loving Memory

God looked around his garden and saw an empty space. Then he looked down here on earth and saw your loving face. He put his arms around you and lifted you to rest, his garden must be beautiful because he only picks the best. A million times we'll miss you, if love could have saved you, you would have never died. In life we loved you dearly, in death we love you still. In our hearts you hold a special place no one could ever fill. It broke our hearts to lose you, but you did not go alone, for part of us went with you, the day God took you home.
