

STUDENT ACCESS & SUCCESS COMMITTEE

Functions:

1. Reviews and analyzes annual data on student participation and success and makes appropriate recommendations to improve participation and success for all ACC students.
2. Identifies opportunities for and threats to increasing student participation and success, especially for under-served populations.
3. Recommends institutional goals, priorities, and strategies for participation and success efforts, including those that target under-served populations.
4. Formulates a comprehensive strategy for increasing student participation and success, and recommends group(s) for specific assignments.
5. Develops recommendations for district-wide policies and procedures related to increasing participation and success.
6. Collaborates and communicates with other groups in the shared governance structure, employee associations, departments, administrative units, and the Board of Trustees, to ensure that identified outcomes are achieved.

Recommendations: Forwarded to Student Services Council.
