

### Modify Course

Use this form to change an aspect of a current course in the ACC catalog. Examples of changes could include: change in course description, change in the course title, change in prerequisites or corequisites, TSI skills or maximum enrollments, etc. This application is also used when adding or deleting a topic in special topic courses.

	<ol style="list-style-type: none"> <li>1. Select <b>Modify Course</b> from the <b>Application</b> menu.</li> <li>2. The <b>Course Search</b> screen opens. Use the down arrows to select the <b>Rubric</b> of the course you want to modify.</li> </ol>
