

**“LEND-A-HAND”
VOCATIONAL SCHOLARSHIP
2010-2011**

The Rotary Club of Austin-Oak Hill is pleased to announce its tenth annual vocational scholarship program for 2010-2011. It is planned that six (6) separate \$1000.00 vocational scholarships will be awarded in 2011.

Each of these unique vocational scholarships is available to graduating high school seniors as well as any individual that is prepared to meet the challenges that vocational training will present. Today's society is in need of highly qualified and specialized persons in health, science, technical and the service oriented workforce. The awarding of each of these scholarships to a qualified applicant is one way to assure that these demands are met.

The deadline for applying for these distinctive vocational scholarships is **Monday, April 11, 2011**. The scholarships will be awarded on May 19, 2011, at a luncheon meeting of the Rotary Club of Austin Oak-Hill.

All interested applicants need to complete the attached application and write at least a one page essay on why they are pursuing their particular vocational goal and how this Rotary Club of Austin Oak-Hill's "Lend-A-Hand" Vocational Scholarship will assist them in achieving their vocational goal. In addition, one Letter of Recommendation must be presented with the application. This letter, in the suggested attached format, can be from a teacher, employer, minister, counselor or neighbor, etc. The Letter of Recommendation cannot come from a family member.

Recipients must reside in the central Texas area. The vocational school is not limited to this area. Each scholarship will be issued to the vocational school for the tuition of the student. Only application packets that are presented in their entirety (i.e. Application, Essay, and Letter of Recommendation) by the established deadline will be considered. A personal interview may also be required.

The completed application packet should be mailed to:
