

SUPPORT CENTER APPLICATION PACKET

2010-2011 Academic Year

Please Note Before Beginning an Application:

Students who have an Expected Family Contribution, (determination based on FAFSA) of zero (0) or are at or below the current Federal Poverty Guidelines based on annual income and number of dependents are eligible to apply for Support Center services.

Please check and attach each item as you complete it.

Step 1

From the Financial Aid Office (If not eligible for Financial Aid, see Income Information section on page 3 of application packet), include the following with your application:

NAIV database printout (if you have applied for your FAFSA more than 3-7 days ago)

OR...

SAR from FAFSA (if applied for Financial Aid for 2010-2011, but award is unknown)

Step 2:

To apply for childcare payment assistance, you must first contact Work-Source Child Care Solutions at (512) 302-0710 if you live in Travis County, or (512) 260-1937 if you live in Williamson or surrounding counties to sign up for their wait list. On page two of this application packet, indicate if you are: on a wait list, denied or currently receiving funding from them.

Step 3:

Signed Application – turn in the completed application, along with the above information, to your campus Support Center.

In the event you are awarded assistance for childcare through the Support Center's payment assistance program, please be prepared to bring:

Proof of parentage for each child at the time you are awarded funding.

Examples of proof of parentage: birth-certificate, adoption papers

To request proof of parentage, go to Texas Vital Statistics web:

Read this BEFORE signing below:

The Support Center provides a wide variety of educational support services to eligible students. Eligibility is based on information you provided on your FASFA. The support includes assistance in paying for child care and textbooks, one-on-one support with educational and career planning and goal-setting, course selection and follow through to help you reach your academic goals.

The amount of childcare and/or textbook assistance you receive is based on the number of approved credit hours for which you are enrolled each semester. Only courses listed on your degree plan will be approved.

In the event you are awarded assistance, you will be expected to work closely with your campus Support Center Specialist to do the following:

1. Develop and follow through on your PASS goals for the semester. (PASS = Plan for Achieving Student Success.
2. Maintain regular contact with your Support Center Specialist as outlined in your PASS goals.
3. Contact your Support Center Specialist any time you experience academic or personal challenges and before withdrawing from any course.

I understand that continued Support Center assistance is dependent on:

✚ Active participation each semester, in developing my individual Plan for Achieving Student Success (PASS) &

✚ Satisfactory progress each semester, in reaching my educational goals as agreed upon on my PASS form.

I certify that all the information on this application is correct and I agree to actively participate in my PASS Plan.
