Information about Registering for TExES Exams.

- ⊕ Create an account with ETS
- ⊕ register for exams

Austin Community College is your [EPP] and is also an Alternative Certification Program [ACP]

Effective September 1, 2006, educators/certification candidates may register for a state certification exam (TExES, ExCET, TOPT, TxMaT or TASC/TASC-ASL) if one of the following criteria is met:

- **Educator Preparation Program Candidate** – Candidates that are fulfilling the requirements in an SBEC-approved Texas educator preparation **must receive prior approval to register for an examination**. After acceptance in an educator preparation program, candidates will acquire a unique TEA Test ID number (not your social security number) by creating an online account and setting up an educator profile on the SBEC Web site at www.sbec.state.tx.us or by logging on to an existing account to obtain the TEA Test ID number. Then the candidate may go to www.texas.ets.org to register for only those exams approved by the program. Programs will no longer issue bar codes for approval to test.

Save the ETS website in your **Favorites**: www.texas.ets.org

Using that same page, you can:

1. Register for tests, view your scores, and find test dates.
2. See the registration bulletins.
3. Get preparation materials (study guides for certification tests)
4. Create your account with them for testing and reporting.

From that page you **must** **CREATE AN ACCOUNT with ETS** (Educational Testing Service).

Important Message About Creating Your Profile!!!!!!

The information you provide when creating your profile on this site **MUST** match the information provided by your Educator Preparation Program (EPP) for the State Board for Educator Certification (SBEC) database.

Austin Community College is your EPP and ACP.

Your TEA ID number (or Testing ID number), first name, last name, date of birth, and route to testing code **must match** the **SBEC database**. If it does not, you will receive an error message. If you receive an error message when you create your profile, please recheck your entries or contact your EPP to confirm your information.

Instructions for Registering for the TExES tests with ETS.

FOLLOW THESE STEPS WHEN YOU FINISH:

1. **PRINT THE SCREEN TO REMEMBER WHAT YOU ENTERED.**
2. **EMAIL THE INFORMATION OR PRINTED SCREEN THAT YOU SUBMITTED TO BE SURE THAT IT MATCHES WHAT WILL BE APPROVED.**

STEPS:

1. **Update** your profile at SBEC including your email.
The email that you will enter is _____@yahoo.
The test is _____.
2. Get your **TEA ID** from the **SBEC** website's opening page.
3. **Register** with ETS. You will **need** your **TEA ID** and ETS information.
4. When entering your information to register, you **MUST USE THE INFORMATION that MATCHES OUR PROGRAM.** **We are an ACP.**

TEA ID directions from SBEC's website:

Please enter the following information so that we can access your TEA personal information. If you do not have a TEA ID# click below. If it gives you the following message, check to see that you have done everything correctly. See below.

"The information you have entered does not match your profile in the SBEC system. Please verify your personal information as well as your route to certification. If you believe everything is correct, please contact your educator preparation program advisor to confirm your status as "approved" to test."

 Educator Preparation Program (EPP)
 Austin Community College - Teacher Preparation and Certification Program
 Route * ACP

WHEN YOU CHOOSE AUSTIN COMMUNITY COLLEGE, THE ROUTE IS ACP.
Just ACP - NOT University ACP

Repeat the previous step for each exam you take. You will only be allowed to take one exam at a time, so register and pay for the exam in a timely manner (regular registration date).

The **first test** is the **Content**. Because you have already met the State standards regarding transcript hours, you know the material. Although we will have online assistance and a **TEExES Prep** day in **February**, you are accountable for knowing the **content**. Analyze your strengths and weaknesses and continue to study with your particular study group, which was formed in November

Not passing the **Content** test will slow down your progress. You will **not** be allowed to take another test until you pass the content, so **not** passing on the **February** date will mean that you **must** retake the failed test at the next testing opportunity in **April**. You **must** have the ability to **register** and **pay** for any test so that you can stay on schedule.

Please **bring** your **content exam score sheet** to our office, particularly when you do not pass the exam. We will work with you on remediation by analyzing your score sheet and finding resources that will assist you.

Important Months for Testing:

May:

For **bilingual** candidates, the **TOPT** (oral proficiency test) is available in **May**. We have online assistance for that test on our COOL website for Educational Resources and Training.

June:

The **EC-12 PPR** exam will be taken in **June** after the EDTC 3004 training.

August:

After the Summer Institute training, **bilingual** candidates will take the **Bilingual Supplemental** exam.
