

BMGX 3005

Syllabus

Course: BMGX 3005 Project Management Certificate Series 119 hours

Course Description:

The Project Management Certificate Series consists of three courses: BMGT 1023 IT Project Management, BMGT 1040 PMP Exam Prep & ITSC 1018 MCTS Microsoft Project. The series provides all the hands-on skills training needed for students to become successful project managers. See individual course listings for class meeting days and times. *NOTE: The Project Management Series is only available for onsite classes. See individual courses for meeting dates, times & room.*

Prerequisite: See individual courses.

Course Objectives:

See individual courses.

Rationale:

Project management is a core skill for many workforce positions.

Evaluation:

Those who participate in class discussions, complete class labs and miss no more than three class meetings will be awarded 11.9 continuing education units. Ultimate evaluation of the student will be their successfully passing the CompTIA examinations.

Books required (Available at Rio Grande book store): See individual courses.

Proposed Schedule: See individual courses.
