

Austin A.S. in Bus. Admin and K-State B.S. in General Business agreement

**Articulation Agreement  
Between the  
Department of Business at Austin Community College  
And the  
College of Business Administration at  
Kansas State University**

**September 1, 2005  
Revised: April 27, 2009**

The Department of Business at Austin Community College (ACC) and the College of Business Administration at Kansas State University (KSU) agree to provide the courses listed on the attached curriculum guide as a joint two-plus-two distance education program that will enable students to meet the requirements for the Associate in Science Degree in Business Administration at ACC and the Bachelor of Science Degree in Business Administration with a concentration in General Business (Distance) at KSU. It is also agreed that the courses required for the associate degree in business administration at ACC will be accepted by KSU as meeting the requirements for the Business Administration Pre-Professional Program (BAPP) in the College of Business Administration at KSU.

Both colleges agree to provide student support services including admissions, academic advising, library access, technical support and others services as needed and appropriate. The staffs at both colleges and their institutions will coordinate their student services to assure a smooth transition from one institution to the other.

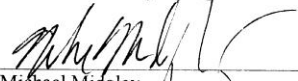

Both colleges will continue to review the course offerings on the attached curriculum guide and will collaboratively make any revisions. Any revisions or changes will continue to apply toward degree completion for the programs in this agreement.

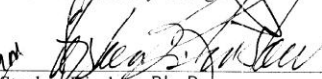

Both colleges agree that all students who successfully complete the requirements for the courses listed in the attached curriculum guide, and who have met other institutional requirements for the degrees, will be granted the specified degrees.

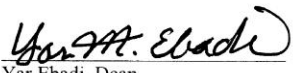

The Division of Continuing Education (DCE) at KSU and ACC will mutually promote and market the program, especially to students who need access to distance education programs.

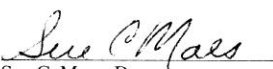

This agreement is subject to annual review by the departments and their institutions and will be in effect until one institution notifies the other of its intentions to discontinue the agreement. Such notification must be given at least twelve months in advance of the date of discontinuation. In the event of discontinuation, both institutions agree that all students in the program will be allowed to complete their degrees within a reasonable period of time.
