AND  
PRAIRIE VIEW A&M UNIVERSITY

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) formally recognizes that the Austin Community Colleges and Prairie View A&M University, an agency of the State of Texas and member of the Texas A&M University System, are active educational partners, committed to providing greater educational opportunities and services for students transferring between institutions.

Austin Community College and Prairie View A&M University will continue this MOU in the spirit of cooperation and mutually recognize each other as quality institutions of higher education.

The participating institutions understand and agree that transfer articulation is with the Austin Community Colleges as a whole and not with individual campuses within the system. Therefore, it is understood and agreed that college-level courses taken at any ACC campus are considered equally transferable. This is particularly important at ACC where students may be enrolled at more than one ACC campus.

Concerning ACC Associate of Arts (AA, Associate of Science (AS) and Applied Science (AAS) degrees transfer requirements will be reviewed on a regular basis and communicated to both parties.

We will continue the evaluation process of the MOU effectiveness. The information obtained from this evaluation component will be used to create a seamless transfer process for the students.

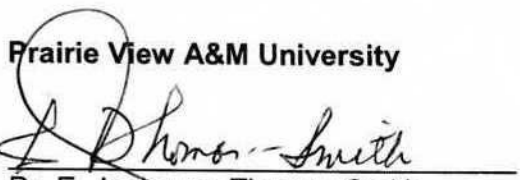

This MOU will be in effect for two years beginning on September 1, 2006 and ending August 31, 2008. This agreement may be renewed by mutual consent of the two parties. Either educational partner may discontinue this agreement by submitting written notification to the other partner one year prior to the identified cancellation date in order to protect all students transferring between these institutions.
