2+2 Agreement Between Austin Community College Biotechnology and College of Veterinary Medicine and Biomedical Science

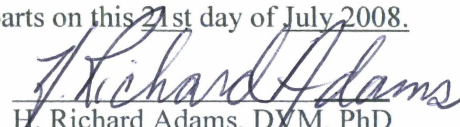

This agreement serves to facilitate the admission and academic transfer of students from Austin Community College to the Biomedical Science program (BIMS) in the Texas A&M University College of Veterinary Medicine and Biomedical Sciences. As students progress successfully toward the completion of the Associate of Science degree, this agreement will ensure the seamless transition of students into the BIMS program according to the provisions and conditions below:

1. Austin Community College students who complete the attached degree plan as full time students will be admitted to the BIMS program automatically, provided they meet all other general admission requirements (i.e., transcripts, applications, time lines, deadline dates, etc.) for general admission to Texas A&M University.
2. Students must have maintained no less than a cumulative 3.60 GPA in the courses taken at Austin Community College, **and will have completed the 62 hours of transferable course work on the attached degree plan.**
3. Students must not have made any grade below a "B" in all of their Common Body of Knowledge (CBK) science and math course work.
4. This agreement will be reviewed on an annual basis and may be amended by mutual written consent of both parties by issuing an addendum to this agreement.
5. This agreement will commence effective the Fall 2008 semester with commitment of a five (5) year period.

EXECUTED IN TWO (2) original counterparts on this 21st day of July, 2008.
