Veterinary Technology Work/Volunteer Experience Form

Applicants who have 48 hours of volunteer or paid work experience may submit this form as a waiver for the VTHT 1103 prerequisite course. Volunteer time or paid work must be performed under the supervision of a veterinarian or veterinary technician (licensed or registered) at any applicable animal care facility or site, such as a private practice, clinic, animal shelter, etc. This may be completed at one or more facilities but a separate form will have to be used for each site.

The Veterinarian or Licensed/Registered Veterinarian Technician must complete the form and sign it.
