☐ SELECT CLASSES austincc.edu/schedule
Refer to your Advising Form when selecting classes. This form should list your first semester courses by name. Locate these courses in the ACC course schedule (available in print and online) and select a class section that fits the time and location you want. Be sure to write down the section information for when you register. Confused? Visit a campus for help.

☐ REGISTER FOR CLASSES austincc.edu/register
Students register themselves for the classes they want to take each semester. You will be competing with other students for the same classes so register as soon as you are eligible. Students who test into more than one developmental course should bring their proposed schedule to an ACC campus where we will assist you with registration. Registration is through the web or telephone for all other students.

☐ PAY TUITION austincc.edu/support/admissions/tuitiondeadlines
Your tuition and fees deadline is based on when you register for classes. You will be dropped from classes if you do not pay by your deadline. Tuition deadlines are published on the web and in the course schedule.

☐ BUY TEXTBOOKS http://austincc.bkstore.com
You will need to purchase textbooks and supplies for your classes. The course instructor will list required books and supplies during the first class session. The ACC bookstore can help you identify which books and supplies you need if you provide them a copy of your schedule.

☐ SIGN UP FOR ORIENTATION austincc.edu/support/advising/orientation
Orientation is required for all new students. You will learn what college life is like and find out about activities and services to help you. Orientation registration is through the website and is on a first-come, first-served basis.
