Student Information Sheet for Intermediate Algebra, MATD 0390

Name: _____________________________________________________________

What name should I call you? (Tony instead of Antonio, perhaps? Etc.) __________________________

Social Security Number: ______________________ email address: _______________________________

Address: ______________________________________________________________________________

City and Zip Code: ______________________________________________________________________

Home Phone: _______________________ Work Phone:_________________________________________

1. The prerequisite for this course is either having made a C or better in ACC’s MATD 0370, Elementary Algebra or an appropriate score on ACC’s COMPASS Assessment Test. How did you meet the prerequisite, including your grade if you remember it, and when?

_______________________________________________________________________________________

2. What college-credit math course do you plan to take after this and what might be your major?

Math course ___________________________ Possible major(s): ________________________________

3. How many credit hours are you taking this semester and how many hours per week do you work?

_______________ credit hours _____________ hours of work per week

4. What is your TASP status in mathematics?

____ Passed TASP or the equivalent on the TCOMPASS

____ Exempt from TASP (circle one: other test score | college credit courses before 1989 | enrolled in a certificate program that is exempt | other

____ Taking TASP this semester

____ Other (Please explain.)

5. Do you know whether you are required to remain enrolled in this developmental math course in order to continue to be enrolled in school?

_____ Yes, I am required to take developmental math to stay in school this semester.

_____ No, I am not required to take developmental math to stay in school this semester.

_____ I don’t know whether I am required to take developmental math to stay in school this semester.

(Please consult with a counselor within a few days to find out!)

I understand that my instructor may drop me from the course if I do not have the proper prerequisite course. I also understand that failure to give accurate information about prerequisites is scholastic dishonesty. I affirm that the information I have given here about my fulfillment of the prerequisite is accurate.
