

N13 – Horizontal Head at Eye

1. nasal septum
2. nasal cavity
3. optic disk (aka blindspot or eye nerve papilla)
4. inner eye muscle
5. sphenoid sinus
6. cerebrum, temporal lobe
7. tuberal part of the hypophysis (pituitary gland)
8. III cranial nerve (Oculomotor nerve)
9. midbrain, red nucleus
10. midbrain, tectum of midbrain
11. cortex, grey matter
12. cerebrum, occipital lobe
13. subarachnoid space
14. pia mater with blood vessels
15. upper eyelid
16. cornea
17. lens
18. sclera
19. optic nerve
20. ethmoidal air cells
21. lateral rectus muscle
22. temporalis muscle
23. optic chiasma
24. internal carotid artery
25. amygdaloid nucleus complex
26. cerebral peduncle
27. substantia nigra of midbrain
28. cerebral aqueduct
29. tentorium cerebelli
30. vermis of cerebellum
31. inferior sagittal sinus
32. dura mater
33. meninges lamella
34. superior sagittal sinus
