

N7 Ventricles of Brain

1. left lateral ventricle
2. right lateral ventricle
3. anterior horn
4. inferior horn
5. posterior horn
6. median portion of lateral ventricle
7. communication between lateral ventricle and third ventricle
8. third ventricle
9. interthalamic adhaesion
10. portion of third ventricle reaching into pineal gland
11. pineal recess, between posterior part of third ventricle and pineal gland
12. optic recess of third ventricle, above optic chiasm
13. infundibular recess of third ventricle, leading into infundibulum
14. duct between third and fourth ventricles
15. fourth ventricle
16. lateral portion of fourth ventricle
