

SS4 – Eye in Orbit

1. cornea
2. sclera
3. iris
4. ciliary body
5. choroid
6. retina
7. optic disc
8. macula
9. fovea centralis
10. lens
11. vitreous body
12. optic nerve (ii)
13. central retinal artery and vein
14. levator palpebrae superioris muscle
15. lacrimal gland
16. superior rectus muscle
17. superior oblique muscle
18. medial rectus muscle
19. inferior rectus muscle
20. lateral rectus muscle
21. inferior oblique muscle
22. oculomotor nerve (iii)
23. trochlear nerve (iv)
24. ophthalmic nerve
25. frontal nerve
26. supratrochlear nerve
27. supraorbital nerve
28. nasociliary nerve
29. lacrimal nerve
30. ciliary ganglion
31. short ciliary nerves
32. long ciliary nerves
33. superior branch of oculomotor nerve
34. inferior branch of the oculomotor nerve
35. abducent nerve (vi)
36. maxillary nerve
37. internal carotid artery
38. cavernous sinus
