

U5 – Pelvis and Urinary System

Male Urinary System

1. left kidney
2. left adrenal gland
3. right adrenal gland
4. right kidney
5. renal pyramids
6. renal columns
7. renal cortex
8. renal papilla
9. minor renal calices
10. major renal calices
11. renal pelvis
12. ureter
13. urinary bladder
14. prostate
15. urethra
16. abdominal aorta
17. inferior vena cava
18. renal vein
19. renal artery

Male Pelvis – Sagittal Section

1. testis
2. epididymis
3. deferent duct (spermatic duct)
4. seminal vesicle
5. prostate
6. urinary bladder
7. male urethra
8. penis
9. cavernous body of penis
10. cavernous body of urethra
11. pubic symphysis
12. rectum

Female Pelvis – Sagittal Section

1. ovary
2. fallopian tube
3. uterus
4. vagina
5. minor lip (labius minus pudendi)
6. major lip (labium maius pudendi)
7. urinary bladder
8. female urethra
9. clitoris
10. pubic symphysis
11. rectum
