## Student Services Effectiveness Measures Report for Academic Year 1999-00

### PURPOSE

To provide exemplary programs that support the teaching/learning process and to increase opportunities for students to define and reach their educational and career goals.

### INTENDED OUTCOME

1. The unduplicated headcount enrollment of ACC will reflect the diversity of the population the College serves.

### CRITERION

Based on THECB demographic data on the service area college age population and the fall unduplicated headcount enrollment of ACC students, the percent of ACC students from each demographic group will be within  $\pm 5\%$  of their proportion in the service area college age population.

### RESULTS

Of the fall 1999 headcount, the percent of White (65.8%) and Hispanic (19.8%) ACC students was within  $\pm 5\%$  of their proportion (68.5% and 20.3% respectively) in the service area college age population.
