### Useful Terms

**Contact Hour** - an instructional unit of time in which a student has contact with an instructor; includes both lecture and laboratory time.

**Course Enrollment** - the number of students enrolled in a course.

**Headcount** - the number of students enrolled in one or more courses.

**Programs of Study  
Fall 2001**

The educational programs of Austin Community College include workforce programs and academic/transfer courses. The workforce programs are designed to meet the increasing demand for skilled technicians and paraprofessionals for employment in industry and business. ACC awards both associate of applied science (AAS) degrees and certificates in workforce programs. Associate of arts (AA) and associate of science (AS) degrees are awarded as transfer degrees and correspond to the first two years of a baccalaureate program at four-year institutions.

The programs and program areas in which Austin Community College offers courses include the following:
